**I'll bet there are lots of us who can only afford to take a vacation in our dreams these days!**

**There's nothing quite like music and dance to take us away from reality for a while....**

**Just as well I say, because sometimes reality is a real drag on the emotions.**

**I find that a couple of hours of music and dancing is all it takes to  
recharge my batteries in Preparation for the next onslaught of life! (-:**

**Hope you enjoy this little dance and that the music does it for YOU too!**

**See you on the floor sometime.... Jan**
