End Of Dance

TAG 1: After the 3rd time through the dance, add the following three counts to the end

Step R across (in front of) L; Step L to L side (large step); Drag R slowly toward L

TAG 2: The song will slow down on the #7th wall. Dance the first set of 12 and slow down with the music. Then there are an extra 4 counts before the beat kicks back in on count 1. For those 4 counts, cross R foot over L and unwind a full 360 degrees using all 4 counts. Restart with the beginning of the dance. This will change your 2 walls.
