- 7&8& Touch R heel forward, close Rf next to Lf, touch L heel forward, close Lf next to Rf

Enjoy the dance!!

I would suggest fading the music out at 3:30'ish as its quite a long track, If you want to dance to the end of the track there is a break in the music towards the end, dont stop dancing and keeping keep going this is also quite fun to do, then the music will kick back in at this point you should be on section 3 or the second set of Heel Jacks.
