Do 2 tags at the end of the 2nd wall (16 cts.) and 1 tag at the end of the 4th wall, 7th wall and 8th wall. The tag at the end of the 8th wall ends the dance as you turn to the front and the music fades out.

This dance was originally choreographed to Pontoon. If you do it to Pontoon you would do 2 tags at the end of the 3rd and 6th walls. At the end of the song you are on the swivels, don't turn the jazz box and end on Out-Out.
