### **\*Jazz Box option**

**\*29-30 □ □ Step right cross over left, recover on left**

**\*31-32 □ □ Turn 1/4 right on right, recover on left**

## **REPEAT**

**\* To make this a 4-wall dance, have the last figure (29-32) be a jazz box 1/4 turn right. Rock right across left, recover on left, turn 1/4 right on right, step left next to right.**

**\*\*To make the dance fit the music you might want to put in 4 count TAGS (step touch, step, touch) after the second wall and after the seventh wall and a RESTART after 16 counts of wall 4. It is actually a sped up 4 count Tag.**
