[32 Beats] Repeat dance in new direction

Update on 23 July 2012 – I have ditched the restarts!! – dance is not perfectly phrased but will be easier to dance if you don't have to think about them.

At the end of the song the music slows down a little, keep dancing at the same speed and finish dance with after beats 9, 10 – step L to L, step R behind L – big step to L drag R tog.

Enjoy

Revised: 23 July 2012 - Got rid of restarts
