TAG: □ After wall 5 (you will be facing 3:00, add 6 counts: Step left forward, sweeping right forward For 2 counts, Step right forward sweeping left for 2 counts, Then Restart the dance.

Toward the end of the song the music fades away to nothing, making you think the song is over. It's not. You end the dance there if you want to.

(The music actually stops then starts again and continues for a while so you can also keep dancing at the same speed to the end of the song.)

ENJOY !
