**STEP/STYLING OPTION.** The music will get softer at the start of the 9th repetition (third time facing 12:00). The dance works perfectly well without this, but it's included for those who want to do something different to fit the music for the first 16 counts of the dance. The footwork is just a K step with holds. Dancers will snap instead of clap on the touches. After the slow K step, continue the dance starting with the right vine and ending with the rocking chair facing [9].

1-4            Step R forward to right diagonal, HOLD; touch L home whilst snapping, HOLD  
5-8            Step L back to left diagonal, HOLD; touch R home whilst snapping, HOLD

1-4            Step R back to right diagonal, HOLD; touch L home whilst snapping, HOLD  
5-8            Step L forward to left diagonal, HOLD; touch R home whilst snapping, HOLD
