级数：Phrased Beginner Party dance
编舞者：Glynn Rodgers（UK）－December 2021
音乐：Gimme Some－Brendon

（32 Count Intro）
Phrasing：Phrased Part A \＆B（Chorus \＆Verse）（A A B B A A B A A B B B A A A A A A A A）
Note！－I teach part $B$ first to lure people into thinking it＇s a straight forward dance before you add in the fun bits！Sadly the phrasing is different to the Jimmy Bo Horne track as it would need a restart，so it won＇t fit the same．
