To simplify the dance for newer/more beginner dancers, these modifications can be made:

\*The ½ Pivot, Half/Touch (counts 9-12) can be changed to a rocking chair ending in a touch rather than a step: Rock forward on R, Recover L, Rock backward on R, Touch L next to R

\*\*The three back step/touches (counts &17-19) can be changed to three backward walks (LRL).
