- 7&8&           Step left forward, step right next to left, step left back, step right back

## REPEAT

Tag (4 counts, comes after walls 1 and 4)

## STEP BACK, ROCK BACK, RECOVER, STEP FORWARD

- 1-2              Step left back, rock right back
- 3-4              Recover weight back to left, step right forward

Note: For styling, you should open your upper body to right on count 2 to accentuate your back rock step. If you don't want to do it however, you can do a regular rock step back if you want.
