On the last 4 counts, rock back and forth in that embrace.

Style Option: Harry sings the lyrics "keep on dancing", use this opportunity to add your own styling.

## INSPIRATION

The song and lyrics influenced the creation of this dance, as we ourselves strive to treat everyone we meet with pure kindness. Our hope is that this dance inspires others to do the same. We first heard this song while traveling to embark on the Disney Dream and thus the title was born.

Special Thanks to Cole and Emily who shared this song with us.
