Tag 2: First 15 Counts as same as Tag 1 with a close up instead of the touch at the last Count; then do the same to the other side.

I wanted to create an alternative for you so that you don't have to dance to "Last Christmas" or similar titles again and again and have a little variety.

I hope you'll enjoy this dance and nice music as much as I do.

Thanks to all for dancing this. □
