Alternate Song:

“Avicii – SOS (Pascal Junior Remix)” by Mr Revillz

Same Choreography but with the following changes:

Intro: 16 Counts

One 4-Count Tag (same Steps as described above) that occurs at the End of Wall #10 (facing 6:00). You then Restart from the beginning (Section 1) at your new Wall #11 (facing 6:00). [Disregard the 16-Count Restart listed above].

Continue through 12 Walls and you will conveniently end the dance (through to the end of Section 4) facing

12:00!

Enjoy using this alternate song to my same Choreography!
