

# More & More ("Cada Vez Mais")

**COPPER** **KNOB**  
BY STEPSHEETS

拍数: 32                      墙数: 1                      级数: Beginner  
编舞者: William Sevone (UK) - 29 April 2006  
音乐: The More I See You - Chris Montez : ("The Best Of"/many compilations)

**Choreographers note:-** Close to the original Bossa Nova rhythm and tempo, this piece of music is well known throughout the World. The dance itself is also in keeping with the original simplistic Bossa Nova formula - albeit with two easy short tags. Ideal for the experienced Beginner.

The essence within this dance is to 'feel' the music and move your body to its rhythm

**Extra note:-** To keep the dance fresh, it is recommended that any piece of music used is short in length.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.

Dance starts on the vocals with feet together and weight on the left foot.
