turn in), repeat right then left again

Keep turning as you do these 4 steps, with hands optionally waving in front of body

As an alternative, just do 4 stomping walks for ¾ right-left-right-left

## **REPEAT**

## **FINISH**

Dance finishes on the full roll to right with only 3 beats (right-left-right)

For a more advanced version you could do the 2 shuffles moving forward with ½ turns turning left (a full turn) then going into the 2 half pivots
