The following steps are serpentine steps & are executed traveling backwards

64-66	Step left behind right, step right beside left, step left together
67-69	Step right behind left, step left beside right, step right together
70-75	Repeat previous beats 64 to 69
76-78	Place left foot behind right & unwind ½ turn left, hold
79-81	Waltz backwards right-left-right
82-87	Repeat previous beats 76 to 81

REPEAT

This beautiful song inspired my first attempt at choreography. I dedicate it to all busy people who never seem to find the time to show appreciation and Love to their partner, especially those folk who several times a week leave behind at home a line dance widow/widower. Dance "Rose Of Hearts" for him/her and you will be forgiven. I hope!!
