59-60      Step right foot to right side, touch left foot beside right  
&61-62    Step left foot to left side, cross right foot over left, step left foot back into ¼ turn right

63-64

Step right foot forward, step left foot forward

## **REPEAT**

## **BRIDGE**

**At the end of the 4th wall there is an 8 beat break and this should be filled with the following steps:**

1&2 Step right foot to right side, step left foot beside right, step right foot to right side

3-4 Rock back onto left foot, rock forward onto right foot

5&6 Step left foot to left side, step right foot to left side, step left foot to left side

7-8 Rock back onto right foot, rock forward onto left foot

**To add a little bit more style to the dance try walking forward for 4 counts starting on the right foot when you are doing the last 4 beats of the hand movements. This means that you will be standing still again on the first 4 beats of hand movements.**
