## CABBAGE PATCH

With both hands in front of you, elbow length and body width apart, make fists palm side down. Feet slightly apart, knees bent.

1-2            With a stirring/circular motion, hands & hips rotate from left to right  
3-4            Repeat  
5              Bring the right hand up with a sweeping motion and snap fingers.  
&6            Sweep right hand to left then back to right and snap fingers.  
7-8            Stomp right, stomp right.

9              Right heel forward  
10             Right toe back  
11             Right heel forward  
12             Shift weight forward, dropping right foot.

13             Left heel forward  
14             Left toe back  
15             Left heel forward  
16             Shift weight forward dropping left foot

17             Right heel out, 45 degrees  
18             Bring right foot together with left  
19             Left heel out, 45 degrees  
20             Bring left foot together with right

21             Point right toe to right  
22             Place ball of right foot on left side of left foot  
&              ¼ turn left equally on balls of feet  
23             Lower left heel  
24             Clap

## SUGAR STEPS

25             Ball of right foot, inside of heel facing in or forward, & twisting body right  
26             With weight on ball of right foot, swivel right heel back to center position
