29-32	Step forward on right foot, cross/step left over right, step a big step back on right, step left to left side (box step)

REPEAT

In order for this dance to best fit the music all you have to do is eliminate the last four beats of the dance at the end of the 2nd wall. You will be facing the back and you will do only one box step. The music also slows down at this point so try not to race it
