&7      Touch left forward to turn 45 degrees right, return weight to right  
8      Step left forward

## REPEAT

## TAG

**Happens before the first wall (start straight away after the cheer for Adam Harvey) & again the next time you face the front (after the 2nd wall)**

- 1-2-3&4&      Step right forward, turn ¼ turn left (weight to left), step/rock right forward, rock return weight to left in place, step/rock right back, rock return weight to left  
5-6-7&8      Step right forward, turn ¼ turn left (weight to left), step/rock right forward, rock return weight to k in place, step/rock right back, rock return weight to left
- 1-2-3&4&      Step right forward, turn ¼ turn left (weight to left), step/rock right forward, rock return weight to left in place, step/rock right back, rock return weight to left  
5-6-7-8&      Turn ¼ turn left to step right to right side (big step), drag left heel towards right (counts 6, 7), step/rock left behind right, return weight to right in place (counts 8&)
- 1-2-3-4&      Step left to left side (big step), drag right heel towards left (count 2, 3), step/rock right behind left, return weight to left in place (counts 4&)

**One more thing: the whole thing slows down on the 5th wall. Just dance on the lyrics. Counts "8&1" are on "when I think" respectively. Timing variations happen on the back wall. Dance first 7 counts as normal, slow drag**
