

# The Gunslinger

**COPPER** **NOB**  
BYEFOOTETS

拍数: 16      墙数: 4      级数: Beginner  
编舞者: Craig Morris, James Rillo & Ron Chouinard  
音乐: Macarena - The GrooveGrass Boyz

- 
- 1-2      Right hand out in front of you with fingers making a "gun", left hand out in front of you with fingers making a "gun"
- 3-4      Right hand in the air (still making the "gun"), left hand in the air (still making the "gun")
- 5-6      Right hand at your mouth (as if you're blowing smoke from the barrel), left hand at your mouth (as if you're blowing smoke from the barrel)
- 7-8      Right hand on left waist holstering "gun", left hand on right waist holstering "gun"
- 9-10     Both hands on/at buckle, step forward with right foot, bring left foot beside right foot
- 11-12    Both hands on/at buckle, step back with left foot, bring right foot beside left foot
- 13-16    With right hand in air as if preparing to throw a rope, roll wrist in slow circle left while making a 4 count  $\frac{1}{4}$  turn to left keeping left foot stationary (pivot) stepping with right.

## REPEAT

Rock shoulders and hips similar to the original Macarena during the first 8 counts.
