## REPEAT

When the man starts saying clap and wave, on steps 21-24 use your right hand to circle to the right in front of your body. On steps 21 - 22 you should complete one revolution of your hand and on steps 23&24 two revolutions. Use this wave as many times as you like throughout the dance. Try the claps too if you can master them while dancing. Strike a pose at the end of the dance when he says "and freeze"
