## REPEAT

## TAGS

**The first tag is danced at the end of the 2nd repetition. You will be facing front both when you begin and finish the tag**

1-2 Rock/step right foot to the side, rock/replace weight onto left  
3&4 Cross shuffle to the left side (right foot in front of left)  
5-6 Rock/step left foot to the side, rock/replace weight onto right  
7&8 Cross shuffle to the right side (left foot in front of right)  
9-10 Rock/step right foot to the side, rock/replace weight on left making ¼ turn right  
11 Make ¼ turn right & step right foot to the side  
12 Make ½ turn right & step left foot to the side

**The second tag is danced at the end of the 4th repetition. It is really a restart, as you will dance the first 32 counts of the dance & then restart from count 1. There is an alteration to the step pattern in this tag section. On the backward shuffle (counts 31&32), make ¼ turn left so that it will finish as a side move and you should be facing the back wall ready to restart.**
