This is a basic cha-cha amalgamation based on steps learned in workshops with David Baggett and Sam and Judy Wright, about 2 years ago. Keep all your steps very small, applying Cuban motion as you become capable. To use these steps as a couples dance, begin in closed position, with the lady using opposite footwork. You may also choose to do the lady's opposite footwork as a line dance in contra. Now don't all you cha-cha purists start beating me up.
