## REPEAT

## RESTART

On 3rd wall，restart after count 40．You will be facing 9：00（at the start of what I class the 3rd verse） On 6th wall，restart after count 40．You will be facing 6：00（at the start of the instrumental） This is a live recording．The music fades and returns．Dance straight through this．You should be on steps 41－42 when music returns．Elvis starts slightly early．Dance right through to the end of the music；you should finish on the front wall with the audience clapping！
