## REPEAT

On second repetition the dance fits with what Bob is calling so for more energetic dancers instead of counts 21-24, replace with steps below:

### WHEN BOB SAYS JUMP LEFT

21                        Jump both feet out (traveling to left)  
22                        Jump feet together crossing right in front of left  
23                        Jump both feet out  
24                        Jump both feet together

## TAG

Danced once after 3rd repetition and twice after 3 more repetitions (after the wall when Bob says "...all together now...")

1&2                      Right sailor step  
3                          Left stomp  
4                          Touch right diagonally forward
