

Bittersweet Love (P)

COPPERKNOB
BY STEPHEN BATES

拍数: 48
编舞者: Dan Testa (USA)
音乐: Wild Child - Enya

墙数: 1

级数: Intermediate partner dance

Position: Start in promenade position with all the ladies facing the same way. The men are to the left of the ladies. The couple forms a 90 degree angle. The man holds the lady's right hand with his left at waist level and places his right hand on the lady's back. The lady's left hand is placed on the man's back or shoulder. This dance can either be done to 16 bars of 3|4 music or 12 bars of 4|4 music. "More Love" is a 4|4 song. The other two songs are 3|4. I recommend using a 4,5,6 count-in for the 3|4 music and a 5,6,7,8 count-in for the 4|4 music

REPEAT

I would like to thank everyone who helped me put this dance together. This dance would not have been possible without the help of several dance instructors, partners, other students, people on the Internet including the usenet group rec.arts.dance, and a few close friends. Some of Skippy Blair's writings inspired

the creation of this dance.
