TAG

When using Jennifer Lopez "Ain't It Funny" you will complete 7 rounds of the dance. There's an instrumental bridge on the 8th time through that's 16 beats long with a 4 beat pause. I use 4 side mambos starting with the right foot, and alternating Cuban hand movements. Next add 4 sambas turning $\frac{1}{4}$ turn to the left on each one, then sway right, left, right, left for the 4-count pause and start the dance over.
