

# Y (The Letter Y)

COPPER KNOB  
BY STEPHEN HETS

拍数: 32                      墙数: 3                      级数: Intermediate  
编舞者: William Sevone (UK) - July 2005  
音乐: Dancing On the Ceiling - Lionel Richie : (CD: Dancing On The Ceiling / Greatest Hits)

Dance starts on the vocals with feet together and weight on the left foot.

Dance                      Wall 1: Start facing the left diagonal (10.30).

Sequence:-

Wall 2: Start facing the right diagonal (1.30)

Wall 3: Star facing the (traditional) back wall (6:00)

Choreographers Why is the dance called 'Y'? It may well have something to do with the number of walls?  
note:- within the dance - and of course being performed in the shape of the letter 'Y'. simple 'eh'??

It's not the first time I have 'strayed' - 'Tulsa Time' for instance, is an 8 wall dance.. I'm not kidding.

There are three versions of this song that I am aware of.. all with differing running times - so therefore you will have to formulate your own 'Dance finish'. Suitable for the established Advanced Beginner.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.
