To Ms Frances Choo who had specially requested for this song, & all those who love Thai Food! "Prik Khee Noo" is a particularly chili hot pepper used abundantly in Thai food especially in the spicy hot "Tom Yum" soup!

Dance with a "bouncy" motion throughout.

**(at same time bend upper body forward to left diagonal, left hand turned inwards & on top of left knee, right hand "akimbo" on right hip, with right elbow pointing upwards, look up)**

5-7                      Bounce left heel thrice (weight on left ball of foot, continue body & arm stance as in count 4)

8                      On the last count, straighten body up, transfer weight to right foot & kick left foot towards left diagonal (for attitude, give a yell!)

## REPEAT

## ENDING:

The music ends when you are facing the back wall doing the right & left vines. Please make an attempt to turn ½ right on 2 counts & return to face front wall, at same time clasp your hands together in the traditional "Thai" greeting, "Sawasdee"
