**Pattern: First off, it may look a nightmare on paper but it's easy to remember – all the extras happen facing side walls. You never start the dance facing your left side wall – it's only 3 walls – front, right and back. The basic dance is 32 counts. On certain walls you will add 4 & 8 count tags & on 1 occasion restart**

**At the end of walls 1&4: add the following 4 counts, you will be facing R side wall, 3 o'clock, when doing these steps and then start the dance again.**

1-2                    Rock R to side, recover weight on L  
3-4                    Either: Rock R back, recover weight on L OR cross R over L, unwind full turn left with weight ending on L

**At the end of walls 3, 6 & 9: add the following 8 counts, you will be facing L side wall, 9 o'clock, when doing these steps) and then will start the dance again facing front wall**

1-2                    Rock R to side, recover weight on L  
3-4                    Either: rock R back, recover weight on L OR cross R over L, unwind full turn left with weight ending on L  
5-8                    Cross step R over L, step L back, turning ¼ right step R to side, cross step L over R

**Restart: On wall 7 (which starts facing front wall) dance the first 16 counts which take you to the right side wall (3 o'clock) and restart the dance again).**

**Ending:**

**On wall 10 (which start facing front wall) dance the first 12 counts up to the R coaster step (where you will be facing 9 o'clock/left side wall) To finish turn ¼ right as you step your L to L side & strike a pose.**
