7-8 Making a ½ Turn right, Step forward on the Right, Walk forward on to the Left. [Faces 9.00]

END OF DANCE

If you find that the music is too long for easy beginner level...I recommend you fade it about 2.33...

It ends after the jazz box facing 12.00...it feels just right at the point.

I have a 'line dance edit' version of the track already set up for that purpose.

Dedicated to my friend... Joey Gerber – Busy Boots Line Dance – KZN – South Africa.
