There is a break in the music (you will be facing the back wall) do the TAG.

Then, dance the full pattern, for the ending: do the first 6 counts, make counts 7&8 (the shuffle) a right 1/4 turning triple step to end facing the front wall, add two stomps: R-L and you're done!

Pattern: Full, Full, restart, Full, restart, Full, Tag, Full, ending
