Begin Again

Ending: On 6th pattern (starting at 6:00), dance 1-23&, skip the 1/4 turn and do this:

24&25              Step L forward, step R beside L, step L forward and hold....

Choreographer Note: Music is not regular but beat is steady. This pattern works well without extras or restarts.

Thanks to my husband Tony for checking the sheet and helping make one part of the dance work better!
