This partner dance is patterned after the line dance "My Everything" which was choreographed by Dee Musk. For partners, however, the restart has been eliminated and the last 8 counts emphasize progress in the direction of line of dance (LOD).

Start with couple facing LOD in sweetheart position (man on left, lady on right, left hands palm together and outstretched in front of man's chest, right hands joined in front of lady's right shoulder). Both partners use same footwork.

Dance begins after 32-count instrumental intro.
