Intro: 40 counts - 3 Restarts (Sequence: 32-48-32-48-20-48-32 + ending)

Choreographer's note: the sequence, with all the restarts, sounds complicated, but is really not difficult. The VERSE of the song is 32 counts, and the CHORUS of the song is 48 counts. You always do 48 counts when starting from the back wall. You do 32 counts when starting from the front, except for the "extra short" wall (20 counts), during which the music changes noticeably and the restart is very easy to hear.

Starts with weight on the left foot
