**Restarts: There will be 3 restarts. The first one will be on wall 4 (starting the dance at 9:00, and Restarting at 12:00), and the second one will be on wall 7 (starting the dance at 6:00, and Restarting at 9:00), and the third one will be on wall 10 (starting the dance at 3:00, and Restarting at 6:00).**

**They all occur at the same point in the dance, and the lyrics "your lips taste like sangria" will be repeating. Once you hear these lyrics, keep dancing until you get to the 3rd set of eight, where you will make the follow changes: on counts 7&8, instead of doing a shuffle, just walk forward "right, left". So the sequence will be:**

5-6      Step back on left, hook right over left shin  
7-8      Walk forward right, left

**Restart the dance at this point.**

**REPEAT**
