31-32          Step back on L, touch R beside L [9:00]

**Begin again.**

**This is a dance for those trying line dancing for the first time, with basic walking and step-touch movements, to get them acquainted with moving to the beat. The track is a fun version of Country Roads; the beat will slow down near the end, then speed up, making it a good choice for parties, even if there are no experienced line dancers present.**
