SHOULDER PUSHES

/After you've done the above 8 counts, your feet will be apart. It may be helpful to bend your knees slightly, and place your hands on your thighs to push your shoulders side to side. If you cannot do this, use your thumbs and point them to the right and left

- 1-2 In place, push your shoulders to the right and to the left
3-4 Moving down, push shoulders right and left
5-6 Coming up slightly, push shoulders right and left
7-8 Back in starter position, push shoulders right and left
