Jazzbox

- Cross Right foot over Left. Step back on Left 1-2
- Step Right to Right Side. Step forward on Left 3-4

Choreographer's note: Instructors guidance: This should be ideal for beginners who have learnt shuffles, coasters and sailor steps. However, I have added "Improver" to the level as the dance has a Restart and a Tag, both facing 12 o'clock and both at the end of instrumental parts of the song.
