

# Work for It

COPPERKNOB  
STEP SHEETS

拍數: 32                      牆數: 4                      級數: Improver  
編舞者: Lisa McCammon (USA) - October 2019  
音樂: Work for It - Daphne Willis & LÒNIS

#32 count intro - Counterclockwise rotation; start weight on L

Alternate tracks: Yes, Sir, That's My Baby by Ricky Nelson (slower for teaching); How Could I Love Her So Much by Nathan Carter (country)

Choreographer's note: I have chosen to ignore the extra 8 counts after the second repetition rather than include a tag or restart.\* I think the beat is consistent and the lyrics repetitive enough that dancers won't notice the phrasing, and the dance will finish on count 32. The tempo is peppy, but there is only one wall change, the steps are familiar, and I have included easier options to simplify and slow the pace.
