Tag; After 2 walls (facing 6 o'clock) you will dance an 8 count tag which is simply the first section of the dance to bring you back to 12 o'clock to begin wall 3

Note; At the end of wall 6 you have to *slow down* the last 4 counts of the dance – from the 'back, drag' onwards (facing 12) before the music kicks back in on count 1 of wall 7. 'Slow down' is actually the lyrics of the song so you cant miss it – although it may take a few goes to perfect...

Ending; On wall 8 dance until the end of section 2 adding a 1/4 turn to face 12 o'clock;

8&1 Cross Right behind Left, turn 1/4 Left to 12 o'clock and step forward on Left, step forward on Right. Ta-da!!
