Background information on music:

Composed in 1933, 望春风 is as Taiwanese as Bengawan Solo is Indonesian or as Arirang is Korean. In Y2000, 220,000 Taiwanese music lovers at the "A Century of Taiwanese Songs" festival voted this Taiwanese folk song for the honor of Most Popular Classic. It is a romantic ballad, about a young village girl yearning for the man of her dreams.

Note of Appreciation:

A big thank you to Ms Serina Hon from Keppel Club, for her patience in previewing, critiquing and auditing this choreography, providing me with many good suggestions to improve and enhance this step-sheet.
