That it! Enjoy the song and the routine. [mygeo@adamswells.com](mailto:mygeo@adamswells.com)

All my routines are based on AB or beginner dancers. No turning vines or spins, no tripping steps, just easy going moves. Routines that anybody can do. I feel that some of the beginner routines would scare some of the new dancers off. This way, they can work into the routines easy and understand them better. Some of mine are a little fast, but should be easy for beginners once they feel comfortable with the steps. Georgie
