NOTE: During the first 16 counts, it's fun to replace the holds with triples whenever the beat is pulsing (during the verses). Keep the holds on the chorus (repetitions 3, 6, 9).

FINALE: Complete the dance to the very end. To finish at 12:00, turn 1/4 right on count 22 (the step back), so you're facing front for the rock step and claps.
