5-8            Step back R, L, Rock R back, Recover on L;

Repeat the dance 2x, then repeat S1 & S2

An 88 count dance for beginners? Yes, because it's just 1 wall and the steps are not that difficult...  
It's a great dance for a demo on stage, because you keep facing the audience and there is a lot of ambiance

in it.

You can find the modified music for the dance here: <https://www.youtube.com/watch?v=QIGqSUI3AA4>
