## Section 1 - Side, Together, Shuffle x2

- 1-2            step right foot to right side, step left foot next to right
- 3&4           traveling forward shuffle - step right foot forward, left foot next to right, step right foot forward (cha cha cha)
- 5-6           step left foot to left side, step right foot next to left
- 7&8           traveling forward shuffle – step left foot forward, right foot next to left, step left foot forward (cha cha cha)

## Section 2 - Walk, Walk, Rocking Chair, ½ turning hip circle (step ½ pivot)

- 1-2            walk forward – right, left
- (if you are feeling brave you can do two ½ turns here! Turn left as you make a ½ turn back onto the right foot, continue another ½ turn as you land forward on the left foot!)**
- 3-4            rock weight forward onto the right foot, recover weight on the left
- 5-6            rock weight back onto the right foot, recover weight on the left
- 7-8            use hips for momentum and styling here – swing hips around counter clockwise as you make a ½ turn going left (end up where your booty was!) – your feet will be stepping right, left (you can think of this as a step forward, ½ pivot turning left)

## Section 3 - Cross rock, Recover, Chasse right. Cross rock, Recover, Chasse left.

- 1-2            bring the right foot over the left as you rock your weight onto it, recover weight on the left
- 3&4            traveling to the right side – step right foot to the side, left foot next to the right, right foot to the side (cha cha cha)
- 5-6            bring the left foot over the right as you rock your weight onto it, recover weight on the right
- 7&8            traveling to the left side – step left foot to the side, right foot next to the left, left foot to the side (cha cha cha)

## Section 4 - Sways

- 1-2            slightly bring your right foot forward on the diagonal as you sway your hips forward, then sway your hips and weight back onto left foot (left foot does not move!)
- 3&4            keeping feet in place sway your hips onto the right two times (right and right)
- 5-6            keeping feet in place still – sway your hips and weight back onto the left foot, then forward onto the right
- 7&8            keeping feet in place still! – sway your hips back onto the left two times (left and left) with weight ending here on the left
