**NO TAGS NO RESTARTS**

I choreographed this dance as a fun warm up dance where everyone can step onto the floor at the start of your session. By adding in the arm movements and bending knees for section 4 the intention is to warm up our entire body for the dancing ahead. I do hope you enjoy, please get in touch with any questions or if you spot any issues with this stepsheet. Most importantly, thanks so very much for your interest in my 'Little Dance'!
