### \*1st Restart On Wall 2 (Facing 6 O'clock)

5-8            Sway hips right. Sway hips left. Sway hips right. Sway hips left (Weight on left).

**Note: During two walls you may feel like you are out of beat, with the song.**

**You still follow the rhythm of the music, so continue dancing those two walls.**

**After that you'll be perfectly back on track again. I did this to avoid having to add two more restarts in the dance.**
